NDA / PROPRIETARY INVENTION AGREEMENT

This agreement is effective the ____ day of April, 1999 between Eric L. Hertz, President representing Galabad, Co., having a principal location at 12784 Tullipwood Circle, Boca Raton, Florida, 33428 (hereinafter collectively referred to as "Inventor"), and ~~James Morgan~~ *Ym* representing Branson, a corporation having a principal location at Danbury, CT (hereinafter *4/29/99* called "Receiving Party").

Whereas, Inventor has certain confidential information related to the subject area of the application of ultrasonics through air for the use of solder printing, wave solder, reflow, excitation of drying during washing, underfill diffusion, and assembly and/or packaging of electronic components. (hereinafter called "Subject Area").

Whereas, Inventor desires to disclose such confidential information to the Receiving Party for purposes of discussing proposed joint business ventures and/or development, pertaining to the Subject Area.

Whereas, the Receiving Party is willing to accept such information confidentially and as limited herein.

Whereas, the Receiving Party understands that this Agreement in no way obligates Inventor or Receiving Party in any manner.

Now therefore, in consideration of the disclosure by Inventor to Receiving Party of confidential information, the parties agree as follows:

1. "Confidential Information" is defined as all information disclosed for discussion purposes, to the Receiving Party by Inventor in writing, discussion (verbal), or in sample or model form, related to Subject Area.

2. Unless otherwise expressly authorized by Inventor, the Receiving Party agrees to retain the "Confidential Information" in confidence for a period of four (4) years from the date of ~~disclosure~~ *disclosure* and (a) not to disclose the "Confidential Information" to any third party during such a period and not to use the "Confidential Information" for any purpose other than the aforesaid discussion purposes; and (b) not to use, copy, patent, or otherwise utilize the "Confidential Information." The Receiving Party agrees to use the same degree of care, but no less than a reasonable degree of care, with *on 5/5/99*

any "Confidential Information" which it receives under this Agreement as it would with its own "Confidential Information".

3. Notwithstanding any other provisions of this Agreement, Inventor acknowledges that "Confidential Information" shall not include information which:

a/ is or becomes publicly known through no wrongful act on the Receiving Party's part; or

b/ is already known to the Receiving Party at the time of the disclosure as evidence by written documents; or

c/ is rightfully received by the Receiving Party from a third party without breach of this Agreement; or

d/ is explicitly approved for release by written authorization of Inventor.

or is developed by the Receiving Party independent of any information received from the disclosing party.

4. No license, express or implied, in the "Confidential Information" is granted to the Receiving Party other than to use the information in the manner and to the extent authorized by this Agreement.

5. The existence of the Agreement and/or the nature of the business conducted between Inventor and the Receiving Party shall not be disclosed at any time by the Receiving Party without prior written permission of Inventor.

6. At Inventor's written request, and in any event the upon either party's decision not to proceed to pursue any potential joint business venture, transaction and / or relationship, the Receiving Party shall promptly return to Inventor all originals and all copies of written or physical Confidential Information and will certify to Inventor that such complete return has occurred.

7. The validity, construction and performance of this Agreement and the legal relations between the parties to this Agreement shall be governed by and construed in accordance with the law of the State of Florida. If any provision of this Agreement, or the application of such provisions, is invalid under any applicable statute or rule of the law, the remaining provisions of this Agreement shall remain in full force and effect.
